

Council supports The Voice to Parliament

Why Council is voting YES in the upcoming referendum.

We all deserve a meaningful say over issues that affect our daily lives.

Voting YES in the upcoming referendum will put an Aboriginal and Torres Strait Islander Voice in Australia's constitution. It will be elected by Aboriginal and Torres Strait Islander people to provide advice on laws that affect them.

It's a simple and practical step in the right direction.

By voting YES, we create a pathway for Aboriginal and Torres Strait Islander people to speak directly to Parliament about what works on the ground for their communities. Our whole community benefits from the insights and knowledge of the world's oldest living Culture.

Council supports a YES vote.
