

Council supports The Voice to Parliament

Greater Dandenong City Council supports a YES vote for the National Referendum VOICE to Parliament.

Council supports the Uluru Statement from the Heart in its entirety. The Uluru Statement invites all people across Australia to join in a future that recognises and celebrates the strength and wisdom of all Aboriginal and Torres Strait Islander peoples of this country.

We also believe Aboriginal and Torres Strait Islander Peoples are best placed to inform the policies and laws that impact their lives.

A Voice to Parliament will pave an enduring path to improved self-determination, outcomes, opportunity and leadership.

As the most culturally diverse municipality in Australia, the City of Greater Dandenong demonstrates deep respect for other cultures.

Council is committed to reconciliation and supports the YES campaign for the constitutional recognition of an Aboriginal and Torres Strait Islander Voice to Parliament.

Council recognises the strong connection Aboriginal and Torres Strait Islander people have to the land and waters of this nation and is committed to embedding reconciliation across Council, including in policy, business and community structures as outlined in the Reconciliation Action Plan (RAP) 2021-23.
